## SeaFrance declares non-smoking policy

- **SeaFrance Dover-Calais Ferries has announced that as of 1 March, there will be a non-smoking policy in operation across its fleet in all the internal passenger areas.**

President, Eudes Riblier commented : “SeaFrance has reviewed its onboard smoking policy in response to passenger demand, and due to concerns for public health. All interior passenger spaces across the SeaFrance fleet will operate a non-smoking policy as from 1 March. Any passengers wishing to smoke are free to do so in designated areas on the outside deck.”
