## **Pop the champagne cork! SeaFrance is celebrating the 10,000th crossing by the *SeaFrance Berlioz***

On the 5.50 p.m. sailing from Dover on Friday 28th March, SeaFrance celebrated the 10,000th crossing on the Calais/Dover route by the *SeaFrance Berlioz*.

To mark the occasion, a tombola was organised for passengers and the Bristow family was the winner.

The family won a bottle of champagne and a return trip with meals for four people on board the fleet's new vessel, the *SeaFrance Molière*.

Mr. Bristow, a British national, was delighted and surprised. "My wife is Swiss German and, actually, that's our holiday destination. We live in London and are used to doing the Channel crossing with SeaFrance, because we appreciate the quality of service".

The family will be able to use its prize to explore the *SeaFrance Molière*, which will be joining the other SeaFrance vessels on the Calais/Dover route this summer.
